

SCULPTURE, INC.
Treatment Consent and Release
For Laser Services

I acknowledge that the practice of skin care and massage including micro ablation, microdermabrasion, electrolysis, facial toning, body treatments, laser treatments, and various other beauty or health procedures is not an exact science and no specific guarantees can or have been made concerning the expected result. I understand that some clients experience more change and improvement than others. In virtually all cases, multiple treatments are required in order to realize a difference.

I also realize that the following risks and hazards may occur in connection with any particular treatment including but not limited to: unsatisfactory results, poor healing, discomfort, redness, blistering, nerve damage, scarring, infection, change in the skin pigmentation, and increased hair growth. I understand that even though precautions may be taken in my treatment, not all risks can be known in advance.

In addition, I understand that for laser hair removal procedures, not all hair is actively growing during a given time period. There are three distinct growth phases: Growth, Regression, and Resting. The system works by disabling the hair while in the active growth phase at the time of your treatment. **IT IS VERY IMPORTANT THAT YOU FOLLOW YOUR HAIR REMOVAL PROGRAM OR YOU WILL MISS ACTIVE GROWTH PHASES. MISSING THESE PHASES WILL LEAD TO YOU REQUIRING A GREATER NUMBER OF SESSIONS THAN AVERAGE. SESSIONS SHOULD BE SCHEDULED EVERY 6 (SIX) WEEKS.** Discounts on packages are available, please ask for details.

Given the above, I understand that response to treatment varies on an individual basis and that specific results are not guaranteed. Therefore, in consideration for any treatment received, I agree to hold harmless and release from any liability SCULPTURE, INC. as well as any officers, directors, or employees of the above companies for any condition or result, known or unknown that may arise as a consequence of any treatment that I receive.
